
What Do You Need To Become More Successful?

I need:

- 1. To be more Innovative
- 2. To have more Excellence in all that I do
- 3. To spend more time at Peak Performance
- 4. To have more Opportunity for new possibilities

- 5. To be more balanced
- 6. To use more of my innate talent
- 7. To working to my fullest
- 8. To have a new perspective on aspects of my life or work
- 9. To have a better understanding of who I am
- 10. To be more profitable

- 11. To be more Powerful
- 12. To be more in Control
- 13. To be more Creative
- 14. To be more Focused
- 15. To have more Fun

- 16. To be more insightful
- 17. To think differently

- 18. To have a more positive environment around me
- 19. To create positive change with some aspect of my life

- 20. To think smarter
- 21. To be a leader in all that I do

- 22. A better understanding of how to leverage my most important asset – my mind
- 23. A better understanding of how to unlock the potential within me
