## What Do You Need To Create A More Successful Team and Team Members?

We need:

- 1. More opportunity for Innovation
- 2. More opportunity for Excellence
- 3. More opportunity for Peak Performance from the team
- 4. More opportunity for new possibilities
  
- 5. Team members who are more successful
- 6. Team members who are more balanced
- 7. Team members who are using more of their innate talent
- 8. Team members who are working to their fullest
- 9. Team members who have a new perspective
- 10. Team members who have a better understanding of who they are
  
- 11. To create individuals who are more Powerful
- 12. To create individuals who are more in Control
- 13. To create individuals who are more Creative
- 14. To create individuals who are more Focused
- 15. To create individuals who have more Fun
  
- 16. A team with new insight
- 17. A team with a new way of thinking
  
- 18. A more positive environment
- 19. To create positive change within the team
  
- 20. Superiority in our thinking
- 21. Leadership in all that we do
  
- 22. A better understanding of how to leverage our most important asset – our team members
- 23. A better understanding of how to unlock the potential within our team members
